

Collaboration & Multi Floor

Hanna Fägersjö
Configura

Collaboration

- New extension "under construction"
- Enables multiple designers to work on different areas in the same project
- Share sections with each other
- Let other people view or edit the sections you are working on
- Will be a free extension on Marketplace

Multi Floor

- Adding levels – different shapes
- Turn levels on and off
- Placing items in 2D and 3D view
- Calculation
- Additional tools – insert walls
- Copying or adding new levels
- Insert hole
- Adding rased area on same level
